PLAN DETAILS & OWNER PAYOUTS

LISTING PROMOTION

- **No upfront costs**
No setup fee and no monthly subscription for the first 2 months.
- **Choose your earnings arrangement**
Either IPM receives 10% of reservations generated through IPM, or you receive an agreed guaranteed nightly rate. IPM may add a markup; you still receive the agreed nightly amount.
- **Subscription from month 3**
The plan includes a \$40 monthly subscription starting in month 3. When possible, it is deducted from IPM-generated reservation revenue. If that revenue is insufficient, you are not charged the subscription out of pocket.
- **Review and no-cost exit**
At the beginning of month 3, review your results. If the service does not bring enough value, you can end it at no cost.
- **Your own reservations**
IPM takes no commission on reservations you generate independently. Commission applies only to IPM-generated reservations.

FULL PROPERTY MANAGEMENT

The advertised rate is 20% commission. IPM coordinates guest communication, check-in, cleaning, maintenance, inspections, and reporting. Review your individual management agreement for exact scope and terms.

- **Platform commissions, fees & taxes**
Platform commissions, fees, and taxes are deducted or remitted as needed before the owner payout.
- **Final owner payout**
After agreed plan charges, platform fees, taxes, and authorized deductions, the remaining amount is paid to the owner.
- **Weekly payouts**
Owner payouts are normally issued weekly on Monday.
- **Owner Portal**
Access across connected booking platforms so you can view reservations in one place.
